WORK EXPERIENCE

09/2016 – Present **Superior Forensic Consulting, LLC**
Duluth, MN
Founder
Independent Forensic Evaluator

Specializing in forensic evaluation of complex psycho-legal questions with individuals involved in criminal, civil, and family litigation. Specific evaluation types include psychosexual evaluation; civil commitment evaluation; evaluation of criminal responsibility and competency to proceed; and parenting evaluation. Provide court testimony regarding results of forensic evaluations, subsequent recommendations, and opinions regarding the legal statutes.

06/2013 – 09/2016 **Minnesota Department of Human Services**
Minnesota Sex Offender Program
Moose Lake, MN
Forensic Evaluator

Conducted Sexual Violence Risk Assessment to individuals who are civilly committed as a Sexually Dangerous Person and/or Sexual Psychopathic Personality. Provided court testimony regarding results of an individual's sexual violence risk, subsequent recommendations, and opinion regarding the legal statutes.

Supervised predoctoral interns for forensic and psychological evaluation, case conceptualization, treatment planning, and evaluation of treatment and professional progress. Created and taught didactic seminars related to sexual violence and violence risk measures, diagnostic considerations, professionalism, and

psychopharmacological interventions.

SUPERVISED WORK EXPERIENCE

06/2013 – 07/2015

Minnesota Department of Human Services
Minnesota Sex Offender Program
Moose Lake, MN
Forensic Evaluator
Supervisor: Lauren A. Herbert, Psy.D.

Conducted Sexual Violence Risk Assessment to individuals who are civilly committed as a Sexually Dangerous Person and/or Sexual Psychopathic Personality. Provided court testimony regarding results of an individual's sexual violence risk, subsequent recommendations, and opinion regarding the legal statutes.

Created and taught didactic seminars related to sexual violence and violence risk measures, diagnostic considerations, professionalism, and psychopharmacological interventions.

06/2012 – 11/2012

North Carolina Department of Public Safety
Burgaw, NC
Staff Psychologist II
Supervisor: Deborah Lawrence, Ph.D.

Provided therapeutic services to self-referred and facility-mandated adult male inmates. Evaluated medication compliance, presence of side effects, mental status, and overall effectiveness of medication regimen in individuals receiving psychotropic medications. Provided psychoeducational resources to individuals who did not meet criteria for a mental health condition but who experienced acute stressors. Assessed inmates in crisis on risk of dangerousness to self and other. Applied established protocol to prevent self-injurious behavior and maintain facility security

07/2011 – 05/2012

Summit Psychological Associates
Akron, OH
Psychology Assistant (07/2011 – 03/2012)
Postdoctoral Trainee (03/2012 – 05/2012)

Conducted a variety of forensic and psychological evaluations for adult and juvenile individuals referred by employers, child protective services agencies, and the Courts (Municipal, State, and Federal). Evaluations included Presentence Investigations, Psychosexual, Competency, Criminal Responsibility, Parental Capacity, Pre-employment, Posttraumatic Stress Disorder Differentials, and assessment of intellectual and adaptive functioning.

Provided therapeutic services to self-referred individuals, as well as those mandated through court or supervisory agents in group and individual formats. Specialized in the provision of sex offender treatment. Other services included substance abuse treatment in institutional and community-based settings. Common patient diagnoses include paraphilic disorders, dual-diagnosis, mood and anxiety disorders, substance use, personality disorders, and behavioral disorders related to Developmental Disabilities.

PREDOCTORAL INTERNSHIP

07/2010 – 07/2011

Summit Psychological Associates, Akron, OH
Ohio Psychology Internship (APA-Accredited)
Psychology Intern
Supervisors: Corinne Mannino, Psy.D.

Conducted a variety of forensic and psychological evaluations for adult and juvenile individuals referred by employers, child protective services agencies, and the Courts (Municipal, State, and Federal). Evaluations included Presentence Investigations, Psychosexual, Competency, Criminal Responsibility, Parental Capacity, Pre-employment, Posttraumatic Stress Disorder Differentials, and assessment of intellectual and adaptive functioning.

Provided therapeutic services to self-referred individuals, as well as those mandated through court or supervisory agents in group and individual formats. Specialized in the provision of sex offender treatment. Other services included substance abuse treatment, anger management, and domestic violence intervention in institutional and community-based settings. Common patient diagnoses include paraphilic disorders, dual-diagnosis, mood and anxiety disorders, substance use, personality disorders, and behavioral disorders related to Developmental Disabilities.

Development of programming, including manual materials and related documentation, for initiation of a Dialectical Behavior Therapy (DBT) treatment group for individuals diagnosed with Cluster B personality disorders and an Acceptance and Commitment Therapy (ACT) treatment group for women with a history of sexual solicitation.

SUPERVISED CLINICAL TRAINING

08/2009 – 05/2010

DC Superior Court
Child Guidance Clinic – Assessment Track
Washington, DC
Advanced Doctoral Practicum
Supervisor: Rachel Martell, Psy.D.

Conducted psychological evaluations of adolescents involved in the criminal justice system. Evaluations were completed in both community settings and within a juvenile detention facility. Provided recommendations for case management to court personnel, families, and clients. Continued the provision of the therapeutic services to two juvenile males who had become court involved following engagement in sexually abusive behavior.

08/2008 – 06/2009

DC Superior Court
Child Guidance Clinic – Therapy Track
Washington, DC
Doctoral Practicum II
Supervisor: Rachel Martell, Psy.D.

Provided weekly psychotherapy services to court-mandated male adolescents. Common patient diagnoses included dual-diagnosis, mood and anxiety disorders, substance use, and behavioral disorders. Facilitated group sex offender treatment to adolescent males who were court-mandated to attend post-adjudication. Facilitated anger management to adolescent males who were court-referred. Supervised an undergraduate psychology student who observed the group as an extern. Communicated findings to other court personnel to assist in the appropriate management of clients. Multiple court contacts as a factual witness to advocate for increased client services and probation extensions. Provided historical information and case details including clinical judgments of risk assessment for court consideration.

08/2007 – 06/2008

Good Shepherd Center
Baltimore, MD
Doctoral Practicum I

Supervisor: Gerald Oster, Ph.D.

Completed psychological evaluations of female adolescents at a residential treatment facility. Common patient diagnoses included severe emotional and disruptive behavior disorders, attachment disorders, and personality disorders for those over eighteen years of age. Provided treatment recommendations for case management to treatment providers, families, and clients. Participated in weekly treatment team meetings.

01/2005 – 06/2005 **Enfield Correctional Institution**
Enfield, CT
Undergraduate Field Study

Observed and participated in grievance counseling and domestic violence group therapy. Counseling services included observation of risk assessment and providing an opportunity for offenders to discuss issues related to their incarceration and psychosocial stressors. Submitted weekly reports on learning experiences including integration of these experiences toward future professional goals.

TEACHING EXPERIENCE

08/2016 – 01/2018 **Lake Superior College**
Duluth, MN
Adjunct Faculty

01/2008 – 04/2008 **American School of Professional Psychology at Argosy University**
